Making a change to your Will

We always recommend that you seek advice from a solicitor when you make or change your Will.

If you have already made a Will and now wish to include a gift to the Paddle Steamer Preservation Society, you could either ask your solicitor to draw up a new Will or, if the amendment is straightforward, to draft a Codicil, an example of which is given below. Your solicitor will advise you on the best way for your wishes to be carried out. The Society does not recommend that you make a Codicil without consulting a solicitor, who will ensure that any Codicil made is executed correctly and properly reflects your intentions. Please do not write on or amend your current Will, as this could make it invalid.

Please take this sample form to your solicitor after completing it as required

I _____ (full name) of _____ (address) declare this to be a codicil to my Will dated ____/____/____

In addition to any legacies given in my said Will I give to The Paddle Steamer Preservation Society, Mayfield, Hoe Lane, Abinger Hammer, Dorking, RH5 6RS, a charity registered in England & Wales (298328) and in Scotland (SC037603), hereinafter called the Charity, a _____ (percentage) share of* my estate or the sum of £_____ * and/or _____ * (a specific item) to be used for its general charitable purposes and I direct that receipt from the Treasurer or other authorised officer for the time being of the Charity shall be good and sufficient discharge.

In all other aspects I confirm my said Will and all other codicils thereto.

Signed _____

A codicil must be signed and witnessed in the same way as your original Will, but you do not need to use the original witnesses to witness a codicil.
